Flightline Group, Inc.

Founded in 1982 and headquartered in Tallahassee, FL, Flightline Group, Inc. is a regional aviation sales and service company dedicated to providing extraordinary aviation services, aircraft sales, parts sales, avionics and aircraft maintenance services to the Southeast. Flightline Group employs over 40 aviation professionals at facilities in Tallahassee, FL and Vero Beach, FL.

Piper Aircraft Sales

Authorized factory new sales for Piper Aircraft and management of 12 Authorized Piper Service Centers across the southeastern United States. We also specialize in pre-owned and brokered aircraft sales across the general aviation fleet. For new Piper sales, we represent Florida, Georgia, Tennessee, Alabama, Mississippi, and Louisiana.

Flightline Technical Services

Authorized factory service for Piper Aircraft, Cirrus Aircraft, and Textron Lycoming; with experience across the general aviation fleet and a state-of-the-art 26,000 ft² regional service center. We also offer aircraft cleaning and detailing.

Flightline Avionics

As an FAA Part 145 Repair Station, Flightline is an authorized service center for Avidyne, Aspen Avionics, and Garmin. Flightline can complete an array of avionics services, including 24 month inspections; diagnostics of radio, instrument, and pitot-static discrepancies; installation of electronic flight displays, GPS receivers, antennas, and new radio systems; upgrades of instrument panels to the latest synthetic vision displays; and software upgrades and updates.

Aircraft Parts

Our maintenance facility has a well-stocked parts room to support our shop and local aircraft owners in finding the right part to complete an annual or aircraft repair. Our Parts Manager, Bill Morgan, has over 40 years of experience in the parts business and has extensive knowledge of the General Aviation parts industry. He can quickly find the aircraft part you need and, as an Authorized Service Center for Piper, Cirrus, and Lycoming, he can assist in getting you the exclusive OEM parts.

Flightline Development Corporation

Flightline Development Corporation (FDC) is focused on the planning, design, construction and management of general aviation facilities. With over 30 years in aviation, Flightline Group has the expertise to understand the numerous considerations that go into maximizing an investment into GA facilities. With an experienced team of aviation professionals FDC can plan and execute airfield facilities projects that are on time, on budget and fully meet the operational needs of aviation businesses.
