Kodiak 900 by DAHER

The Kodiak 900 inherits the backcountry legacy of the Kodiak 100 and the performance-driven reputation of the TBM. It is the most modern and reliable airplane in its class. Enabling a mobile lifestyle - taking you and your team anywhere you want to go, when you want to go - the Kodiak 900 is a 21st century aircraft delivering increased speed and payload, while retaining the unique qualities of safety, reliability, and versatility found in its Kodiak 100 sibling.
